An act to amend Section 14681.5 of the Government Code, relating to state buildings.

## LEGISLATIVE COUNSEL'S DIGEST

SB 1021, as introduced, Wyland. State buildings: leases and construction.

Existing law requires the Director of General Services, when acting on behalf of the Department of Corrections and Rehabilitation, to provide notice to certain public officials whose districts may be affected, including Members of the Legislature, when the director decides to construct a building, expand a building, or lease an existing building.

This bill would make nonsubstantive, technical changes to these provisions.

Vote: majority. Appropriation: no. Fiscal committee: no.  
State-mandated local program: no.
